Remarks

Beautifully updated and move-in ready, this spacious home offers 4 bedrooms, 2 bathrooms, plus a versatile workout room with its own private exit that could easily serve as a 5th bedroom, office, or guest space. The home features a large family room perfect for gatherings and everyday living. The updated kitchen showcases quartz countertops, modern finishes, and plenty of space for cooking and entertaining. Both bathrooms have been tastefully updated, adding style and comfort throughout the home. Step outside to a block-fenced backyard with easy-care desert landscaping, providing a secure space for kids and pets to play while keeping maintenance low. The property is also energy efficient with a solar system, helping reduce utility costs. This home is ready for its next owner to enjoy.
